

Downloading & Installing MyStorPal

1. Find the *MyStorPal* app by *XPS Solutions* in the iOS App Store or Google Play Store and Select/Install, then Open.
2. Once installed, open the app and click Sign Up at the bottom of the screen.

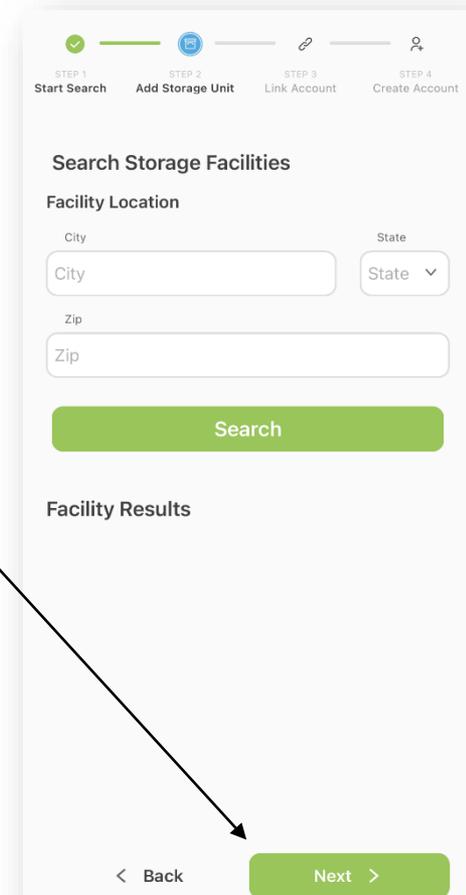

Registering

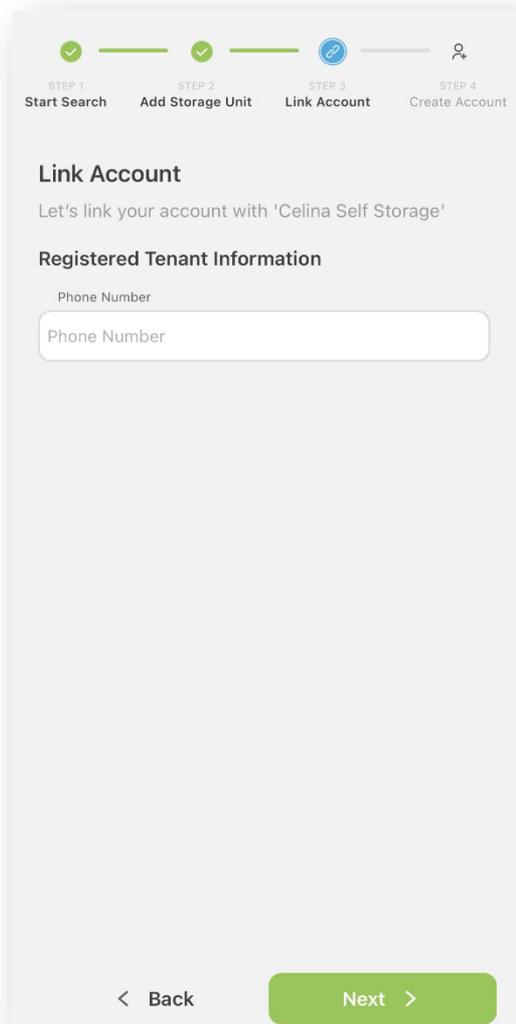

3. Click “Find My Storage unit” and on the next screen, enter the zip code of your rental facility.

4. Once you see your storage facility, select the location and click “Next”

Link Your Account

A screenshot of the MyStorPal mobile application interface. At the top, there is a progress bar with four steps: 'STEP 1 Start Search' (checked), 'STEP 2 Add Storage Unit' (checked), 'STEP 3 Link Account' (active, highlighted with a blue circle), and 'STEP 4 Create Account' (not started). Below the progress bar, the title 'Link Account' is displayed, followed by the instruction 'Let's link your account with 'Celina Self Storage''. Underneath, there is a section titled 'Registered Tenant Information' with a 'Phone Number' label and a text input field containing the placeholder 'Phone Number'. At the bottom of the screen, there are two buttons: a white 'Back' button with a left arrow and a green 'Next >' button with a right arrow.

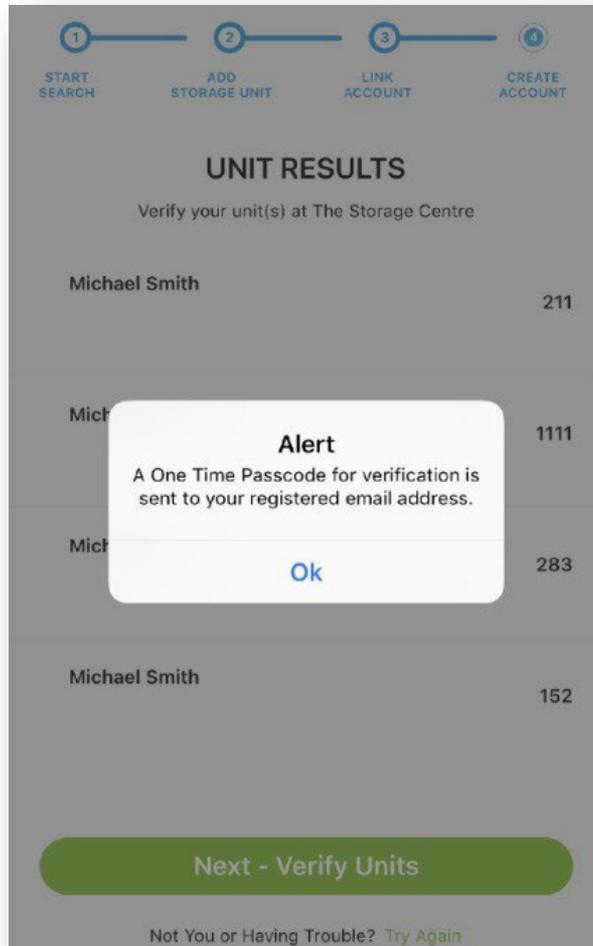

5. Enter the primary phone number on your storage facility account, then click “Next”.

*Pro tip for Android users - If you don't see the green Link Storage Account button, you may need to click on the white space or press Done on your keypad to close it.

*For iOS users, click in the “white space” to close your keypad)

*If you are unable to see your units, contact your storage facility to verify the primary phone number listed on your account.

6. Verify that the units listed belong to you, select the unit, then click “Next” once more.

One Time Passcode

7. An Email will automatically sent to the Email address on file with your storage facility with your one-time passcode to access MyStorPal.

****NOTE – if you don't receive an Email very quickly, please check your Junk or Spam folder.**
